Application for assistantship

Graduate Assistantships at Webster University *do not* currently include tuition remission. Stipends of \$3000-\$6000 annually are awarded depending upon the needs of the department. Assistantships require 10-12 hours of service weekly and are renewable for a maximum of two years (four semesters).

Please select which assistantship you are applying for:

- Jazz Studies**
Combo direction, assist at evening jazz concerts, private teaching, and other duties.
- Orchestral Management**
Assist orchestra director at rehearsals, perform administrative duties, organize and maintain library, mark bowings in string parts.
- Music Theory**
Assist in music theory and musicianship classes, tutor undergraduate students, and provide other assistance as needed.
- Choral Music**
Assist the Director of Choral Studies with selected choral rehearsals, sectional rehearsals, administrative duties, maintaining and organizing the choral music library, communicating with choral ensemble members, and overall management of the Choral Music Program.
